About Me:

- ✚ My interests: Psychology of Success, Business, Politics, Economy (Austrian School of Economics), History, NLP, Sport, E-marketing, Management, IT, Programming, Law & Taxes, New Technologies, Movies, Meditations, ZEN, Buddhism, Religions, Philosophies, Quantum Physics.
- ✚ **The biggest values in my life are: given word, honesty, honor and relationships. I am a person, who is ambitious & responsible. I always do my best. I never quit. The biggest motivations in My life - are not money - but business relationships, connections, fun, creating good products. I would like to be a part in something bigger, and have a chance to change the World. My personal goal is creating good high quality products, having real influence on other people. Creating products, which could improve their lives and could make the difference.**
